Below and attached are compilation of press coverage and public statements

Parcel G Workplan: <https://www.sfchronicle.com/bayarea/article/Navy-s-Hunters-Point-retesting-plan-draws-on-13232708.php>

Deck Marker: <https://abc7news.com/radioactive-object-found-near-hunters-point-homes/4246335/>

I heard on KQED radio Friday an interview about the deck marker with Jason Fagone (SF Chronicle Reporter) in which he played clips of statements from Enrique, SFDPH, and Navy from the 5/14 hearing saying Parcel A is safe.

Fri I also heard AM radio 740 coverage of the deck marker in which Tomas Aragon, SFDPH Public Health Office was interviewed saying that he has hired an independent radiological expert to test the rad object and that he does not expect anyone at Parcel A to be unsafe.

SF Chronicle coverage was repeated by SF Business Times 9/14
